The Aesthetics course requires 600 hours and is offered at the Rogers, Fort Smith and Siloam Springs Campuses. These courses are all full time day programs. Classes are in session Monday – Friday.

ACCREDITATION: Career Academy of Hair Design is accredited by the National Accrediting Commission of Career Arts & Sciences, Inc. (NACCAS), 3015 Colvin Street, Alexandria VA 22314 (703) 600-7600.

FACILITIES: The schools are owned by Trans Corporation, an Arkansas Company. Career Academy of Hair Design has been in continuous operation for over 30 years (DBA as Leon's Inc.) All campuses are located within the immediate vicinity of several banks, stores, and restaurants. Each school building consists of a large clinic area, multiple classrooms, facial room, manicure room, administrative office, supply room/dispensary, restrooms, and a large break room for breaks and lunch. The schools are furnished with equipment for practical training in the field of Cosmetology, Aesthetics, and Manicure (see course outline for program availability). All training is done under the supervision of Instructors. All of our classrooms are equipped for both theory and practical classes. Classrooms have tables with chairs, worktables, and styling chairs, Instructor's desks, whiteboards, dryers, visual aids, large screen TV, and a library for the study and practice of Cosmetology, Aesthetics and Manicure. A private office is provided for the purpose of advising and interviewing with a separate business administration office located at the Rogers campus.

All of our Instructors are highly trained and skilled in the fields of Cosmetology Science, Aesthetics, Manicure and related subjects. They all have extensive backgrounds in their fields that allow them to communicate effectively and relate to the students they are training. All instructors are trained and or qualified to be full time and or substitute instructors. Each year, all Instructors receive a minimum 12 hours of continuing education.

MISSION STATEMENT: Career Academy of Hair Design equips students with the skills needed to gain employment in the field of Cosmetology Arts and Sciences and other related fields. The school assesses its performance against its stated objectives, documents the results of the assessment, and uses the assessment to maintain or improve institutional performance.

PHILOSOPHY: At Career Academy of Hair Design, we believe education and training are the keys to success. Every student has talent. Our responsibility is to discover and develop that talent. Students are encouraged to develop creativity in their clinical practice while reinforcing their knowledge of the basics of Cosmetology, Aesthetics and Manicure. We strive to keep a professional, enjoyable atmosphere in our school so graduates will have pride and confidence in the profession they have chosen.

OBJECTIVES: Career Academy of Hair Design strives to provide a well-organized, yet flexible, program that meets the needs of the student. We train men and women in the ethical practices of Cosmetology, Aesthetics, and Manicure. Our school prepares them for the State Board Examination. Most importantly, we prepare them for employment in their chosen profession. We also teach the importance of safety by the proper use of chemicals, cosmetics, and all equipment and materials associated with the profession. Students learn the importance of effective public relations and are prepared for the business world.

CODE OF ETHICS: Career Academy of Hair Design maintains honest and fair relations with our staff, students, patrons, the Arkansas Department of Health/Cosmetology Section, and other schools. We will utilize only quality equipment, supplies, and chemicals for use by our students and staff. We will advertise truthfully and are honest with our students and patrons. We will refrain from criticism, which reflects unfavorably towards other schools in our profession. We will not attempt to recruit students already admitted to another school. We will observe all rules and regulation by the Arkansas Department of Health/Cosmetology Section, and keep our Instructors current of the latest styles and teaching methods. We will allow no discrimination on the basis of race, color, creed, age, religion, sex, financial status, disability, or country of ethnic origin. We will provide accommodations on a case by case basis.

SERVICES TO STUDENTS: Students coming to the Northwest Arkansas area are provided advice in finding living quarters if required. The school will also try to assist finding employment when necessary. Administrative advice is available to students with personal problems that may affect their studies. Instructors will advise on attendance, grades, and professionalism at the scheduled review.

PREREQUISITES FOR EMPLOYMENT: No person shall practice any phase of cosmetology and its related occupation with the intent of receiving compensation when the person does not hold a current and valid license issued by the Board, nor can any licensed cosmetologist practice any phase of cosmetology and its related occupations other than in a licensed cosmetology establishment except when services rendered involve a special event in which the cosmetology service is to be performed for an on-site participant of the event.

PLACEMENT SERVICE: The school maintains placement information that is available to the students. We will do our best to assist the student finding work in the Cosmetology, Aesthetics and Manicure fields in the area where the student would prefer to locate. The school provides training on professional appearance guidelines, resume writing, goal setting and monitoring, job referrals and follow-up training. We will then attempt to locate Salon Owners in that area in need of Cosmetologists, Aestheticians and Manicurists; however, the school does not guarantee placement.

SECURITY: The school and staff are not responsible for lost equipment or personal belongings. Students are responsible for the security of their school-issued equipment and personal property. Valuables such as jewelry and excessive cash should not be brought to school. When clocking out of school for any reason, each student should secure their property at their station, in their locker, or in their vehicle.

STUDENT HOURS: Hours are recorded by the School's Computer Time Clock System (Genesis) scanner and students are required to scan in when arriving for training and scan out when leaving the school for lunch or personal reasons. If student misplaces/loses their bar code, a replacement can be purchased for \$5. A monthly attendance report is available for review by the student once a month; with the student's Instructor, at the beginning of the month after paperwork is handed out. Once monthly hours are reported to the Arkansas Department of Health/Cosmetology Section no additional review will be conducted unless an error needs to be corrected.

STUDENT DIRECTORY/INFORMATION RELEASE: Career Academy of Hair Design maintains a student directory phone list that includes current student names and phone numbers. Periodically we receive requests from local salons and employers for directory information on its students. If you do not wish to have that information made public, it is your right under federal law, the Family Educational Rights and Privacy Act (FERPA) 20 U. S. -1232, to request the school to withhold the release of this information. The designation must be made on your Registration Form. The school will comply with "The Freedom of Information Act" if a request is received and will provide students name, address, and telephone number. The staff member or administrator and the student will review the record at the earliest time convenient to both. All files are in a fireproof cabinet in a locked room for safety of personal information, and student records may not leave the school Administrative Office. Individual student administrative and/or academic information is released to a third party only with a written request from the student. The school provides and permits access to school and student records to authorized State, Federal, and Accrediting Agencies or their Agents in accordance with current law.

RULES AND REGULATIONS

ATTENDANCE POLICY

BOOT CAMP ATTENDANCE: Boot Camp is our required basic training for all students entering the Cosmetology, Aesthetics or Manicure programs. This is the first step to prepare our students to be able to work on the clinic floor with clients. Cosmetology students are required to attend 150 clock hours of training, 7 hours a day, Monday to Friday. Aesthetics and Manicure students are required to attend 80 clock hours of training, 8 hours a day, Monday to Friday. Boot Camp Instructors will designate a lunch period for students. **Any Aesthetics or Manicure student who misses 2 days or (16 clock hours) in the first 2 weeks of class or any Cosmetology student who misses 3 days or (21 clock hours) in the first 3 weeks of class will be given a written advisory report, will be dropped, and can apply to re-enroll at the next scheduled class date unless extenuating circumstances are approved by the school manager.**

ATTENDANCE BEYOND BOOT CAMP: Developing and maintaining a good attendance record is an important part of each student's professional development. **All students are expected to attend all classes, be on time, and remain in class for the scheduled duration. Should the student be ill or late, they are expected to call the school before the onset of school hours and report their absence or tardiness to an Instructor. If a student arrives 10 minutes late on their scheduled "Theory Day", the student is tardy and not allowed to clock in until end of the scheduled theory class.** Attendance records are maintained on each student and all absences and partial days are recorded based on Schools Computer Clock System (Genesis) data. Class cuts, tardiness, and partial days of absence will only delay your opportunity to graduate and can develop into poor job performance habits. Absence from class will incur additional tuition costs in accordance with the student enrollment agreement.

Our school has a monthly clock hour schedule, students are scheduled for 20 days average per month; your enrollment agreement includes 20% hours of makeup time for total enrollment. It is very important to attend the scheduled hours so as to avoid additional charges. You must maintain at least minimum satisfactory attendance as included in your contract to **avoid being dropped** from the course.

Satisfactory progress in attendance and academic work is a requirement for all students enrolled in any of our courses. NOTE: Students receiving funds under any Federal Title IV financial aid program must maintain satisfactory progress in order to continue eligibility for such funds. This policy complies with regulations applicable to the school. (See Satisfactory Academic Progress Policy)

ACCOUNTABILITY FOR STUDENT ATTENDANCE: *(there are no excused absences unless approved by manager)*

1. Students are required to scan their I.D. cards in and out of the Schools Time Clock System (Genesis), which records the school time each day.
 1. Instructors will correct a student's time a maximum of three times. After the maximum corrections have been made, the student will be required to buy a new \$5.00 clock card.
 2. Students have the opportunity to review their attendance records and academic grades monthly for accuracy.
 3. Recorded hours are submitted to the Arkansas Department of Health/Cosmetology Section monthly.
 4. Once hours have been submitted to Arkansas Department of Health/Cosmetology Section, no additional review of clock hours will occur unless a time clock error was found.
 5. Cosmetology student's practical and academic grades are averaged to provide a quarterly evaluation used to calculate satisfactory academic progress. Manicure and Esthetics student's practical and academic grades are graded monthly to calculate satisfactory academic progress.
- Day students are scheduled to attend at least 140 hours per month to graduate on time within the students contracted time frame. Night students are scheduled to attend at least 104 hours per month to graduate on time within the students contracted time frame.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Satisfactory progress, a mandatory policy provided to all students before enrollment & required by the HEA, in attendance and academic work is a requirement for all students enrolled in this school. NOTE: Students receiving funds under any Federal Title IV financial aid program must maintain satisfactory progress in order to continue eligibility for such funds. DOE requires students be enrolled a minimum of 30 days to disburse federal loan proceeds. DOE also requires SAP to be checked prior to any disbursements. This mandatory policy complies with regulations applicable to the school. Evaluation of progress will be conducted by the administration office and put into the student's permanent file with all supporting documents.

ATTENDANCE PROGRESS: MAXIMUM TIME: The maximum time a student has to complete is 150% of the program length or contracted hours. Students who exceed the maximum time frame may be dismissed from classes. All students will be given the opportunity to put in writing why they should be allowed to stay enrolled in classes. The owner and the school manager as well as the Financial Aid Director will meet to evaluate if the student will be allowed to complete the course based on attendance and grades.

ACADEMIC PROGRESS: The following factors will be measured to determine academic progress:

Grades combine practical work, test grades, homework, etc. All grades will be recorded using the following scale:

A	=	95-100	Excellent	Any requirement not completed will be graded incomplete (I) and entered into the school's computer system as zero (0) until completed as required by the Instructor.
B	=	88-94	Good	
C	=	81-87	Passing	
D	=	75-80	Failing	
F	=	74-0	Failing	

DETERMINATION OF PROGRESS: Evaluation of progress will be conducted by the administration office. SAP evaluations periods are based on actual contracted hours at the institution, and put into the student's permanent file with all supporting documents at the following actual hours or as noted:

Course	Length	Actual Hours/Satisfactory Reports
Cosmetology	1500 Hours	AY1 = 1-900/AY2 = 901-1500 Hours
Cosmetology	1500 Hours	30 Days, 450 Hours, 1200 Hours AY = 1-900 Hours
Manicure	600 Hours	30 Days, 150 Hours, 300 Hours, 450 Hours
Instructor	600 Hours	30 Days, 150 Hours, 300 Hours, 450 Hours
Aesthetics	600 Hours	30 Days, 150 Hours, 300 Hours, 450 Hours

SATISFACTORY: Students with a minimum of 81% cumulative GPA and 67% attendance. A quarterly grade combining (practical work, test grades, homework, etc.) is used to evaluate the student's academic progress. Students meeting minimum requirements at evaluation will be considered to be making satisfactory progress until the next scheduled evaluation. In order for a student to be considered making satisfactory progress, he or she must meet both the attendance and academic minimum requirements on each evaluation point. Students are notified of Title IV changes in eligibility under the SAP policy. All satisfactory academic progress evaluations are a permanent part of the student file and are accessible to the student upon request.

WARNING STATUS: Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV, HEA funds.

PROBATION STATUS: Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV, HEA funds.

APPEAL PROCEDURE: If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid, HEA will be reinstated, if applicable.

UNSATISFACTORY STATUS: If the student does not meet the minimum standards and the student is on warning or has prevailed upon appeal, the student will be placed on probation if while on probation the student does not meet the minimum standard they are no longer eligible for any Title IV funds or HEA.

RE-ENTERING PROGRAM: Should a student leave while being placed under either Warning or Probation, they will remain in that status upon re-entering the same program.

We encourage students to connect with us at our Fayetteville, Fort Smith, Rogers, Siloam Springs and Springdale campuses where you will receive one on one attention to address your specific needs.

When completing your Free Application for Federal Student Aid (FAFSA) please include the corresponding school code for the campus you would like to attend:

- Fayetteville: E02161
- Fort Smith: E40413
- Rogers: E01654
- Siloam Springs: E01766
- Springdale: 016596

COST OF ATTENDANCE

The cost of attendance is the cornerstone of establishing a student's financial need, as it sets a limit on the total aid that a student may receive for purposes of the *ACG/National SMART Grant programs, *Campus-Based Programs and Direct loans, and is one of the basic components of the Pell Grant calculation. Noted programs with an asterisk* are not available at this institution.

The following list is known as allowable costs that are determined by the school, and taking into account in the cost of attendance:

- Tuition and fees
- Books, course materials, supplies, and equipment
- Transportation
- Food and housing
- Miscellaneous personal expenses
- Loan fees

COST OF ATTENDANCE PER COURSE:

Cosmetology: \$31,346 to \$37,846

Aesthetics \$12,500 to \$14,500

Manicure: \$13,400 to \$15,900

Instructor: \$10,500 to \$12,500

Students may pursue an adjustment based on special or unusual circumstances. Please refer to our website, www.beautynwa.com, for further information.

VETERANS INFORMATION

VETERANS ATTENDANCE AND SCHEDULE:

Special note concerning attendance and daily schedule.

While the school has a policy, which defines full-time, and part time enrollment, Veterans Administration (VA) benefits are administered according to the provisions of Law and Veterans Administration Regulations.

* **First**, when you enroll, you and the school will **mutually agree** to a regular weekly schedule. The school will monitor the schedule. The schedule will include the days of the week you agree to attend and the beginning and ending time for each day. You are expected to adhere to the schedule until you have met with school officials and mutually agree to a change. You **are not** allowed to drop in and out, or substitute hours or days without the prior written permission of the school. Records of your schedule will be maintained for examination by Veterans Administration and the SAA and must agree with the attendance records.

* **Second**, the rate of payment of VA benefits will be based on your total hours of attendance per week. Cosmetology courses at Career Academy of Hair Design are approved as accredited trade or technical courses where shop/clinical practice predominate.

Therefore, your benefits are subject to the following attendance requirements:

Full Time:	22 or more clock hours per week.
3/4 Time:	16 through 21 clock hours per week.
1/2 Time:	11 through 15 clock hours per week.
1/2 – 1/4 Time:	6 through 10 clock hours per week.
1/4 Time:	1 through 5 clock hours per week.

* **Third**, since rate of payment is governed by weekly attendance, the school will report the hours on line 12. CLOCK HOUR COURSES, V.A. Form 22-1999, ENROLLMENT CERTIFICATION, when you first enroll. Each time you make a change, **the school is required to report the change to V.A.**, using V.A. Form 22-1999b, NOTICE OF CHANGE IN STUDENT STATUS. Since changes require special record keeping and paperwork, you should give careful consideration to your schedule when you enroll and do not expect the school to agree to many, or frequent, changes.

* **Fourth**, since all students are expected to complete the course in 150 % of the contract period, the same policy will be applied to Veterans.

VETERANS STANDARDS OF PROGRESS:

A Veteran, or eligible recipient must maintain a minimum of 88 clock hours in order to receive full time VA benefits. If this minimum is not met, then the school official will reduce the benefits according to the schedule listed above. The student will be advised of the attendance requirement, and benefits may be terminated by the school official until attendance has consistently met the full time requirement. All Veterans Benefits cease upon completion of the course enrolled in or last day of attendance if withdrawing. All student account overpayments are made directly to the student, and the student is responsible for returning funds to the VA in accordance with the Department of Veterans Affairs.

Additional school policies are available for student review in the School Policy and Procedures Manual located in the School Library.

Area salons overwhelmingly prefer to hire our graduates due to our sales training and business course that is integrated within our program. This training makes our graduates "salon ready" and marketable in the field of Cosmetology and related areas. Successful graduates can expect employment in the field of Cosmetology because of the current shortage of Cosmetology professionals as reported in local and national publications. Pay will be commensurate with the abilities and personality of the student, ranging anywhere from minimum wage and up. One method is a guaranteed minimum wage plus a commission on services over a set level. Another is a flat commission, usually 50% of services rendered but we are recently hearing reports of 60% being offered. Generally, tips will be a good secondary source of income. We recommend against chair or booth rental until you have had time to become established in your field.

Your workdays may require extended periods of time standing so comfortable shoes and generally good health is required of an individual in the Cosmetology profession.

The profession has a minimal exposure to damaging chemicals other than items such as hot wax and common solvents and acrylic manicure liquids. You will be trained in the use of most readily available products.

An Arkansas license is required in the state of Arkansas prior to working as a Cosmetologist, Manicure, Aesthetics or Instructor. The licensure requirement is to successfully complete the required clock hours including theory or classroom hours and successful completion of both the practical examination scoring 75% or above as well as the written examination which requires a 70% score or above; the written examination also includes a small state law test. All testing must be successfully completed before a license is issued by the Arkansas Department of Health/Cosmetology Section.

2021 COMPLETION, EMPLOYMENT, & LICENSURE RATE

84% of students enrolled and scheduled to graduate in 2021 went on to graduate within 150% of their scheduled period of enrollment.

71% of the total number of students who graduated in 2021 went on to find jobs in the field of Cosmetology.

96% of students taking the Cosmetology License Examination administered by the Department of Health Cosmetology Section in 2021 passed that examination.

EMERGENCY INFORMATION

FIRE SAFETY: In case of a fire, an alarm will sound. This will be a signal to leave the building. Evacuation routes are posted throughout the building. Students/staff should familiarize themselves with the routes so they may leave the building in an orderly manner and re-assemble in a designated area. Location of Fire Extinguishers: On clinic floor, in the break room and in front of the storage room as you are going to exit the building.

TORNADO ALERT: Tornado alert information will be passed by intercom system and word of mouth to classes if a tornado is in the area and action to take at that time if a tornado danger is imminent.

EMERGENCY RESPONSE PROCEDURES: Instructors/staff will alert students of Career Academy of Hair Design's Emergency Response Plan during orientation. Evacuation routes are posted throughout the building.
